Mr. Paul Hassan  
Director of Business Development  
The Doctors Center  
9857-4 St. Augustine Road  
Jacksonville, Florida 32257

Dear Mr. Hassan:

On behalf of the City Rescue Mission I want to express my appreciation to you and your organization for the flu vaccine campaigns you held for our residents and staff. It was especially generous of you to do two separate emphasis, one at the McDuff campus and the other at the State Street facility.

Marie was such a delight, and the service so professional; I hope this is but the first of such partnership efforts. Marie reported that she gave 77 immunizations to our folks at a value of \$1925. We are so grateful for your generosity and genuinely thank you for everything you did.
